

# You bring us Your word

(Encounter)

Ian White

$\bullet = 90$  Verse

1. You bring us Your word, we bring You a prayer,  
some-times so weak and close to des-pair.  
We sense all our wrong in the face of Your right.  
We pray to be strong to be filled with Your fire!  
We long for Your life, Your wis-dom and peace.  
we re-mem-ber the deed.
