v.2

- 2 Save me from my enemies, Lord I shelter with you.
 Teach me how to do your will,
 For I know you really are my God.
 And may your Spirit, lead me on level ground
 And for your name's sake, O Lord preserve my life
 And in your righteousness, lift me from trouble,
 In your unfailing love, silence my enemies.

Let the morning bring me word, of your unfailing.
 For I have put my trust in you,
 Show to me the way that I should go.
